

OPTIONS FOR REINFORCEMENT AND APPLICATION

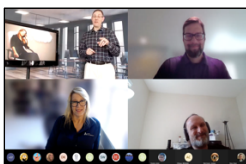

An engaging keynote or custom team building program is a **powerful catalyst** that will energize your team and inspire an appreciation of ideas to improve your culture... Over time, though, **people tend to default to past tendencies unless we provide support and valuable reminders** that help to maintain their focus on more productive behaviors.

A GIFT BOOK FOR ALL ATTENDEES:

Print copies of Sean's books are available to event planners for \$10 each - an over 50% discount from Amazon retail cost of \$21.95.

An impactful and entertaining way to **make the event message more memorable!** Must be ordered 3-4 weeks prior to event.

A FOLLOW-UP WEBINAR FOR LEADERSHIP TEAM:

Schedule a 45-minute video call to talk with Sean

This is a valuable opportunity to allow your people a **live forum to recognize implemented successes and address ongoing challenges** 60-90 days out...

Having a follow-up Q&A conference call helps your leadership team to remain committed to the initiatives that will improve and sustain a positive culture.

A 90-DAY EXECUTIVE 1:1 MENTORING PROGRAM:

This is an **intensive 1-on-1 experience** for business owners, managers, and leaders to get the ongoing support of insights and accountability of weekly calls with Sean.

The leader will learn to develop more meaningful interactions and increase both confidence and clarity in their role.

Every weekly conversation is custom-tailored around the leader's specific strengths, personal goals, and particular set of team challenges.

GROUP ADMISSION TO SEAN'S CULTURE COURSE:

One full year of access to Sean's comprehensive Rapid Teamwork Masterclass for leaders can have an incredible impact on your productivity and morale.

What if your entire organization could commit to following the same sequential system that has helped other teams in multiple industries to overachieve?

This online course includes 26 video-based lessons and over 30 PDF downloads that your people will be able to experience together in the same room or remotely at their own pace - and **takes them step-by-step through how to build a GREAT culture.**

OPTIONS FOR REINFORCEMENT AND APPLICATION

GROUP ADMISSION TO THE “TEAMMATE” COURSE:

One full year of access to Sean’s 12-week video series to build better teammates. Your people will be inspired to review the insights of Sean’s message and consider the powerful positive impact they can have by implementing those ideas.

Sean shares questions, encouragement, examples, and action steps to help your team members understand what they can DO differently to **become a teammate everyone else wants to work with** – lifting your team morale and productivity! Whether viewed individually or as part of your weekly team meetings, these videos will be a valuable part of your professional development program. Includes a downloadable implementation guide PDF for each participant.

# of courses	1-4	5-19	20-49	50-99	100+
course fee	\$69	\$59	\$49	\$39	\$29

GROUP ADMISSION TO THE “CHANGE” COURSE:

One full year of access to Sean’s 10-week video series on change management and personal improvement. Your people will return to each of the insights from Sean’s message and reflect on how they can benefit from implementing those ideas.

Sean leads participants in the process change, and focuses on the simple but powerful **questions that will move them from complacency to commitment**. Whether viewed individually or as part of your weekly team meetings, these videos will be a valuable part of your professional development program. Includes a downloadable implementation guide PDF for each participant.
