## OVERVIEW:

Sean offers tailored leadership coaching options that help leaders like you improve their performance.

Each conversation provides an intensive growth experience to propel you forward as a more effective manager, leader, or business owner with actionable insights you can implement to ensure more positive and profitable results.

You will meet with Sean Glaze by phone or zoom to clarify your specific challenges, celebrate your progress, and construct your plan of specific next-steps for you.

Ongoing support is available between sessions via email or text...

Together, we will close the gap between where you are and where you want to be with powerful questions and focused conversations that will move you forward to achieving your goals.

## YOUR EXPECTED RESULTS:

(a partial list of how you'll benefit from the program)
