BETTER PERFORMANCE

1 ON 1 LEADERSHIP COACHING PROGRAMS

"I STILL FIND MYSELF ... ADAPTING MY MANAGEMENT STYLE TO MAKE THE PERSON I'M WORKING WITH FEEL MORE VALUED."

Kris Pollock, The Arbor Company

OVERVIEW:

Sean offers tailored leadership coaching options that help leaders like you improve their performance.

Each conversation provides an intensive growth experience to propel you forward as a more effective manager, leader, or business owner with actionable insights you can implement to ensure more positive and profitable results.

You will meet with Sean Glaze by phone or zoom to clarify your specific challenges, celebrate your progress, and construct your plan of specific next-steps for you.

Ongoing support is available between sessions via email or text...

Together, we will close the gap between where you are and where you want to be with powerful questions and focused conversations that will move you forward to achieving your goals.

YOUR EXPECTED RESULTS:

(a partial list of how you'll benefit from the program)

- → Leave session one with a clear goal and a specific metric that defines success for you and your team.
- → Change the beliefs and behaviors holding your team back.
- → Hold feedback conversations that change behavior.
- → Raise team engagement and productivity.
- → Run meetings that inspire real collaboration, and leave every session with a clear plan for your next steps.
- → Use personality styles to build stronger connections and communicate more profitably with clients and coworkers.

SEAN GLAZE BIO:

Sean Glaze is a workplace culture speaker, author, and leadership coach who has worked with clients like Cisco, John Deere, the CDC, and Emory University to increase collaboration, boost performance, and build exceptional teams.

A coach and educator for over 20 years, Sean helps organizations like yours develop more effective leaders and build cultures that deliver better workplace performance.
